

New season in New Orleans

News and Notes From Pitch In For Baseball®-Summer 2008

PIFB joins *A Glove of their Own*:

Pitch In For Baseball is honored to join the team that has created the book and movement called *A Glove of Their Own*. This story, schedule to be released in October, is for and about children who have very little and play baseball for the love of the game. The movement, created by coach and father, Bob Salomon, has transformed a story written by Debbie Moldovan, Keri Conkling, and Lisa Funari-Willever into a call-to-action. New Jersey publisher Franklin Mason Press will be donating large portions from *A Glove of Their Own's* profits to organizations that provide equipment to children. To reserve your copy, go to <http://agloveoftheirown.com/>. When you order you will have the opportunity to select a charitable organization to benefit from the sale of the book. Select code PIF 129 and Pitch In For Baseball will receive \$3.00 from each sale. Order today!

Equipment delivery milestones: This summer we will deliver equipment and uniforms to our 50th country. Recent additions to our international roll call include South Africa, Indonesia, Ecuador, Uganda and India.

Postal Service partnership a success: This summer more than 32,000 post offices across the U.S. are encouraging families to donate their new and gently used equipment to PIFB. More than 20 million visitors per month are getting that same message on the postal service website www.usps.com/baseball. We've not only received some great equipment, but have found some incredibly deserving programs that need our help.

Little League World Series pitches in: The 2008 Little League World Series in Williamsport, PA hosted its first ever equipment collection event. During championship weekend, August 23-24, visitors to the stadium complex were asked to donate equipment to benefit Pitch In For Baseball

You can give with iGive: You can now support your favorite non profit organizations while you shop. Just go to www.igive.com to register. Then designate Pitch In For Baseball as your charity of choice. Once you download igive's shopping window, a percentage (1-4%) of the online purchases you make at over 600 online retailers will go to benefit PIFB. It's that easy.

We need you: The impact our organization is having does come with a price tag. Our cost to warehouse and ship equipment to kids around the country and around the world is significant and it's growing. If you've supported us in the past, we need you again this year. If 2008 marks your first donation, thanks for joining our team. Make your secure and tax-deductible donation at <http://www.active.com/donate/pifb>

- \$30 provides equipment for one child.
- \$250 sponsors a domestic shipment.
- \$1,000 sponsors an international shipment.

"Let your equipment play extra innings!"
